Please provide the quantity of sink types below: Undermount qty. Drop-in qty.

Range Type: Cooktop Range No Range

Rough Drawing

Please provide a rough drawing or schematic.

Remarks or comments:

Please Note the Following:

All undermount sinks/bowls with faucets must be delivered to our fabrication shop prior to fabrication. All drop-in sinks/bowls, faucets, & stoves must be on site on the installation date.

If soap dispensers are to be used, owner/builder must be on site to designate location & size of holes to be drilled.

Standard installation time is approximately 2-3 weeks from date the material is received, seams are approved, & the sinks are delivered to Menzie Stone Company.
